**(iii) the recruitment source that referred the person hired for each position:**

Not applicable

**(iv) the total number of persons interviewed for each vacancy, identified by recruitment source:**

Not applicable

**(v) a list of employment outreach initiatives undertaken during the previous year:**

- (a) *Participation in High School Job Shadow Program:* Once a year WLNG participates in the local job shadow program available to high school students in our listening area. Students that are interested in radio and media broadcasting work along side our staff to see and participate in what it takes to produce “fast paced” radio.
- (b) *Station Tours:* WLNG Newsman Dan Duprey also worked with Suffolk County Council Boy Scouts of America and, during the course of the year, gave tours of the Station to 20-30 Boy Scout Troops, who were afforded opportunities to learn about and participate in the station operations.
